Chief Wayne H. Payne

PRESS RELEASE

D'Iberville Chief of Police Wayne Payne announced the arrests of white male Alan Day, 48 years of age, of Pompano Beach, Fl and white male Gary Eaves, 48 years of age, of D'Iberville, MS. Chief Payne said the arrest stemmed from a "tip" his officers received regarding a burglary that happened on New Years Eve on Brodie Road in D'Iberville. The caller advised these two were responsible for the crime.

Captain Keith Davis of the Criminal Investigations Division said Investigators and Patrol Officers responded to Eaves' residence and found additional evidence linking them to the crime. Captain Davis further provided this investigation is continuing and more arrest are anticipated.

Chief Payne said this case is a clear indication of reducing crime in the community when the "community" gets involved. Chief Payne said he would like to thank the anonymous caller who provided this information today.

If you have any information about this or any other crime, please contact the Criminal Investigations Division at 228-396-4252.
