In car burglaries, the items listed below are the most commonly stolen:

Backpacks, gym bags, briefcases, day-planners

Cash/coins, checkbooks and credit/debit cards

Wallets and purses (even when hidden under a seat or in an unlocked glove compartment)

Laptop computers, iPods and MP3 players, (and docking stations)

Cell phones (and chargers)

Portable GPS navigation systems

Stereo/CD players (and faceplates), amps, speakers (even when bolted down!)

Jewelry, keys, mail (identity theft), tools

Anything of obvious value

Residents can minimize their chances of being a **victim** by taking a few simple steps:

- *Keep all car doors and windows closed and locked – even if it's a quick errand. This sounds like common sense, but about 30% of vehicle burglaries are from vehicles where the doors were not locked or a window was down.*
- *Do not leave valuables or packages in plain sight in your vehicle. This may sound like a simple solution, but it happens all the time where items of value are left in plain view. It automatically makes you a target. If you must leave valuables in the car, put them in the trunk.*
- *If your vehicle has a built in security system, use it. If you **don't** have a security system installed, it is worth the investment - it may also qualify you for a discount on your auto insurance.*
- *Park your vehicle in an area that is visible to the public and well-lit at night. If possible, park your car in the garage. If garage parking is not available, the next best option is to park your car in the driveway and install motion-sensor security lighting on your home.*
- *Never leave an electronic garage opener in the car. It can provide a thief easy access to your home.*
- *Headed to the gym or hike & bike trail? Burglars are, too. Hiding valuables under the seat is not enough. Bring as few items as possible with you - leave jewelry,*

watches, laptops, etc at home. Keep any necessary valuables like keys, identification, and credit cards on your person.

- *Keep a list of serial numbers (include make and model information, as well) for the commonly used electronic equipment you may keep in the car, like CD players, stereo faceplates, MP3 players, etc. Keep a copy of this inventory in a safe place such as a safe deposit box. We also suggest that you engrave your driver's license number on your valuables to aid in their recovery, should they be lost or stolen.*
- *If your car is burglarized, please report it to the police department immediately.*

We can all be better neighbors by watching out for each other. Be on the lookout for suspicious persons or activities in your area. No one knows a neighborhood better than the people who live there, so the Police Department depends on the assistance of concerned, responsible residents to report suspicious persons or activity. If you see something that looks suspicious, call and report it. Suspicious activity may include:

- *A person looking into parked cars may be looking for a car to steal or for valuables left in plain view inside.*
- *The sound of breaking glass or car alarm could mean a vehicle break-in.*
- *Any vehicle without lights at night, cruising slowly, or following a course that seems aimless or repetitive is suspicious in any location. Occupants may be "casing" for a burglary.*
- *Persons walking around a neighborhood pulling on car door handles may be looking for unlocked vehicles to steal from.*

Residents are encouraged to call the D'Iberville Police immediately about all suspicious activity. **Don't** worry about feeling embarrassed if your suspicions are wrong; think instead about what could happen if your suspicions are right and you **don't** call. It is the Police Department's job to investigate suspicious matters, and any assistance in spotting suspicious persons or activities is greatly appreciated.

- REMEMBER:**
- 1. A thief can burglarize your vehicle in less than 30 seconds!**
 - 2. it only takes you about 20 seconds to at least move your valuables into your trunk, out of sight.**
 - 3. If you see someone committing a crime Do Not confront them, call the police immediately.**
 - 4. Be alert, Be aware, and be prepared to Be a good witness.**
