#### ***From the Chief***

On behalf of the D'Iberville Police Department, I would like to thank all shoppers who visited the City of D'Iberville during the holiday season. Your patience and understanding is greatly appreciated. I know there were delays entering and exiting the shopping areas. The D'Iberville Police Department, on several occasions, had to direct traffic in and around Promenade and Wal-Mart shopping areas. Our City Leaders recognizes this issue and are devising plans we hope will help alleviate traffic congestion in these areas. Until then, your D'Iberville Police Department will continue to monitor the traffic and when required, will direct the traffic to ensure the safety of our citizens and visitors.

Thank You!

### Impaired Driving Creates Serious Consequences

- The consequences are serious and real. Drunk driving violators often face jail time, the loss of their driver's license, higher insurance rates, and dozens of other unanticipated expenses ranging from attorney fees, court costs, car towing and repairs, and lost wages due to time off from work.
- Refusing to take a sobriety test in many jurisdictions may result in the loss of your license on the spot and the impoundment of your vehicle. Not to mention the added embarrassment, humiliation, and consequences after informing family, friends and employers.
- Driving while impaired is not worth the risk.

On average someone is killed by a drunk driver every 40 minutes

Following these easy steps, a driver can enjoy a safe and festive holiday without jeopardizing their life and the lives of the others who may be on the road.

- Plan a safe way home before the festivities begin;
- Before drinking, please designate a sober driver and give that person your keys;
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home safely;
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement;
- And remember, if you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.
