Search is on for naked man

Police want the public's help to identify a naked, armed man who attacked a woman, Monday June 15, 2009, at a sand bar on the north end of Riverside Drive. The only thing he was wearing was a camouflage mask over his face. The victim and witnesses otherwise described him as white, 6 feet tall, 250 pounds and pot-bellied.

"This is a very dangerous person," said Police Chief Wayne Payne.

The woman, in her 20s, had spent the day sunning at The Cliff, an area known by locals as Redneck Beach. The sand bar is on the east side of the Tchoutacabouffa River near Lamey Bridge Road. The woman told police she was walking to her vehicle around 6 p.m. when a naked man with a shotgun or rifle jumped out from behind a tree. The man ordered her to stop and she ran, but he chased the victim and eventually knocked her to the ground. The victim managed to fight off the attack and escape. The suspect was last seen running through the woods.

"We're warning people to be cautious and keep their eyes open for anyone acting suspicious."

Burglary of a motor vehicle is a crime of opportunity. Don't become a victim, protect your car and personal property.

- Residents are encouraged to call the D'Iberville Police immediately about all suspicious activity. Don't worry about feeling embarrassed if your suspicions are wrong; think instead about what could happen if your suspicions are right and you don't call. It is the Police Department's job to investigate suspicious matters, and any assistance in spotting suspicious persons or activities is greatly appreciated.

REMEMBER: 1. A thief can burglarize your vehicle in less than 30 seconds!
2. it only takes you about 20 seconds to at least move your valuables into your trunk, out of sight.
