Drunk Driving Prevention

- Following these easy steps, a driver can enjoy a safe and festive holiday without jeopardizing their life and the lives of the others who may be on the road.
 - Plan a safe way home before the festivities begin;
 - Before drinking, please designate a sober driver and give that person your keys;
 - If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home safely;
 - If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement;
 - And remember, if you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.
