Monthly Report

The D'Iberville Police Department will be running radar at the following locations during the month of November 2013.

All School Zones (Morning and Evening)

- Warrior Dr.
- Brodie Rd. at the elementary school.
- Indian Trails Circle

From the Chief

We thank our citizens and visitors for their cooperation and understanding of the road construction occurring in our city. We ask that you continue to be patient while this construction is going on. Road widening at Sangani Blvd is complete. There are still landscaping projects being worked on in this area. I know the construction is very frustrating for our motorists please drive defensively, patiently, most of all please be courteous. Our roadways will be safer and navigation will be easier once construction is complete. This construction project is still on path. As we begin the New Year we continue to work towards a safer D'Iberville for citizens and visitors.

Mardi Gras Safety

Mardi Gras is fast approaching. The City of D'Iberville Mardi Gras Parade will be March 2, 2014. We look forward to this event and hope that the citizens and visitors of D'Iberville will have a fun and safe Mardi Gras.

The D'Iberville Police Department would like to
THROW you some tips!

Watch out for traffic:

👂 Be aware of your surroundings when driving or walking near parades and parade traffic.

👂 Never run in between or chase floats for beads or throws.

-
- 👮 Never reach under a float for a throw, even when the float is stopped.
 - 👮 Clear the path for the band and other marching groups as they go by.
 - 👮 Do not approach horses in the parade unless the rider indicates that it is okay.
 - 👮 Do not approach a float or other vehicles in the parade until it comes to a stop.
 - 👮 Most public laws prohibit using glass containers, following floats or bands, spraying Silly String, or throwing objects at or around parades.
 - 👮 Make sure a child's vision is not obstructed by a mask.
 - 👮 Report intoxicated drivers to proper authorities.

Throw me something:

- 👮 Be alert for beads and trinkets thrown during the parade.
- 👮 Wear sunglasses during the day to protect your eyes from the sun and throws.
- 👮 Keep all beads, small trinkets, snapping pops and plastic bags out of reach of children.
- 👮 Buy only appropriate toys from vendors. If a toy fits in the cardboard cylinder of a roll of tissue paper, it is a choking hazard for children.

Getting the good stuff:

- 👮 Do not climb on or over barricades.
- 👮 Do not carry anyone on your shoulders.
- 👮 Do not hang from floats or other vehicles in the parade.

Don't get lost:

- 👮 Never leave children unattended.

- Plan a safe way home before the festivities begin.
- Before drinking, please designate a sober driver and give that person your keys.
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home safely.
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement.
- And remember, if you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.
