All school zones

From the Chief

We thank our citizens and visitors for their cooperation and understanding of the road construction occurring in our city. We ask that you continue to be patient while this construction is going on. Road widening at Sangani Blvd has begun. I know the construction is very frustrating for our motorists please drive defensively, patiently, most of all please be courteous. Our roadways will be safer and navigation will be easier once construction is complete. This construction project is still on path. Lamey Street will be closed for a few weeks for construction. We hope to have more information on bridge construction soon and we will keep you informed with updated information. We continue to work towards a safer D'Iberville for citizens and visitors.

I would like to thank the citizens of D'Iberville and visitors for a successful 2013 Mardi Gras Parade. We were fortunate for the raining holding off for us. We thank all of our citizens for their cooperation. The D'Iberville Police arrested and cited 31 minors for underage drinking during the Mardi Gras celebration. We will continue to aggressively enforce underage drinking laws.

The BBQ Throwdown was a success again this year, despite the weather. This event was a great gathering for citizens and visitors. D'Iberville Police officers and fire fighters participated in the St. Jude benefit fishing tournament held March 2nd and 3rd. Despite the extremely cold weather, St. Jude hosted a rewarding event. March 19th -23rd The MS Bass Federation State Championship will be held here in our city. Please expect heavy traffic, especially around the marina, during this event. We ask that everyone please continue to be patient and courteous of our guest. Day light saving time begins March 10th. We all look forward to having more beautiful sun filled coastal skies.

Impaired Driving Creates Serious Consequences

- The consequences are serious and real. Drunk driving violators often face jail time, the loss of their driver's license, higher insurance rates, and dozens of other unanticipated expenses ranging from attorney fees, court costs, car towing and repairs, and lost wages due to time off from work.
- Refusing to take a sobriety test in many jurisdictions may result in the loss of your license on the spot and the impoundment of your vehicle. Not to mention the added embarrassment, humiliation, and consequences after informing family, friends and employers.
- Driving while impaired is not worth the risk.

For more information, visit www.StopImpairedDriving.org.

On average, one in three people will be involved in a drunk driving crash in their lifetime.

Drunk Driving Prevention

Following these easy steps, a driver can enjoy a safe and festive holiday without jeopardizing their life and the lives of the others who may be on the road.

- Plan a safe way home before the festivities begin.
- Before drinking, please designate a sober driver and give that person your keys.

- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home safely.
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement.
- And remember, if you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.
