From the Chief

We thank our citizens and visitors for their cooperation and understanding of the road construction occurring in our city. We ask that you continue to be patient while this construction is going on. Road widening at Sangani Blvd is complete. There are still landscaping projects being worked on in this area. I know the construction is very frustrating for our motorist please drive defensively, patiently, most of all please be courteous. Our roadways will be safer and navigation will be easier once construction is complete. This construction project is still on path. We hope to have more information on bridge construction soon and we will keep you informed with updated information. We continue to work towards a safer D'Iberville for citizens and visitors.

Congratulations to Lieutenant Terry Hines for successfully completing Southern Police Institute School. Good job Terry Hines!!!! The AOC is a twelve week (480 hour), in residence, accredited college level educational program. The course curriculum is designed to develop informed, effective, ethically and technically competent law enforcement managers who are capable of assuming positions of leadership in their respective agencies.

Merry Christmas from the men and women of your D'Iberville Police Department. We pray you have a safe and enjoyable Christmas and Holiday Season.

SOME SAFETY TIPS FOR THE HOLIDAY SEASON

HOME SAFETY

- Be extra cautious about locking doors and windows when you leave the house, even if you are going to be gone for just a minute.
- Don't put large displays of holiday gifts in view of your windows or doors.
- When going on trips or out for the evening use automatic timers to turn indoor lights on and off to make it appear you are home.
- Immediately after the holidays mark new gifts with your Driver's License or ID number
- Don't advertise what you got for Christmas by putting the boxes out on trash day. Break the boxes down or take them to the dump yourself.
- Don't advertise on social media that you will be out of town.

SHOPPING SAFETY

- Lock packages in your trunk. Don't leave them in sight for everyone to see what you have purchased.
- Don't overload yourself with packages.
- If you must shop in the evening, shop with a friend.
- Park in a well-lighted area, as close as possible to the store entrances. Be particularly aware of persons in the parking lot, especially near your car.
- Lock your car and make sure your windows are closed.
- Carry only charge cards you will need. Don't flash or carry large amounts of cash.
- Carry your purse next to your body with the purse flap against you. Men should carry their wallets in front or inside pockets.
- Be aware of your surroundings and the people around you. Don't allow your attention to become distracted from your purse or packages.
- Teach your children to get a store clerk or security guard and ask for help if you become separated in a store or mall.
- Don't hesitate to notify store security if you see suspicious activity.
- If you have to wait for a ride, wait in a busy, well lighted place.

Impaired Driving Creates Serious Consequences

- The consequences are serious and real. Drunk driving violators often face jail time, the loss of their driver's license, higher insurance rates, and dozens of other unanticipated expenses ranging from attorney fees, court costs, car towing and repairs, and lost wages due to time off from work.
- Refusing to take a sobriety test in many jurisdictions may result in the loss of your license on the spot and the impoundment of your vehicle. Not to mention the added embarrassment, humiliation, and consequences after informing family, friends and employers.
- Driving while impaired is not worth the risk.

On average, one in three people will be involved in a drunk driving crash in their lifetime.

Drunk Driving Prevention

Following these easy steps, a driver can enjoy a safe and festive holiday without jeopardizing their life and the lives of the others who may be on the road.

- Plan a safe way home before the festivities begin.
- Before drinking, please designate a sober driver and give that person your keys.
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home safely.
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement.
- And remember, if you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.

We would like to recognize the following officer for the achievement for the award of Officer of the Month: Lt. Tim Hendricks. On November 17, 2013 Lt. Hendricks conducted a traffic stop on a 2006 Chrysler 300 on Central Ave. Rather than simply writing a citation for the traffic infraction, he looked beyond what was presented to him and conducted a thorough investigation. Lt. Hendricks' investigation yielded a seized vehicle, \$3,984 in US currency and dangerous drugs, including Heroin and MDMA.
