

From the Chief of Police:

I would like to welcome you to our web page. This page is one of many resources used by the D'Iberville Police Department to educate and inform our community on issues related to crime, police activities, construction, special events, traffic or any other issues which could affect our community.

The men and women of the department subscribe to core values including serving with Honor, Integrity, Dignity, Accountability, Consistency, Fairness and Compassion. It is important for us to stay connected to the community we serve. We value our opportunities to work in partnership with you and take pride in the relationships we have developed which have resulted in enhancing our community and quality of life. It is also important that you are informed about what work we do as well as how we complete our work and how you can assist us in being successful.

The D'Iberville Police Department places an emphasis on Community Oriented Policing which enhances patrol capabilities while adding personal interaction between officers and the citizens of our community. By establishing partnerships between residents, merchants, faith based groups and our department; we are sending a strong message to the criminal element which we hope will discourage criminal activity from gaining a stronghold in our community.

I believe a police department can only be as good as the partnerships it creates with its community. Together through information sharing and crime fighting strategies, we share the responsibility of working toward the continued improvement of our quality of life. It is my hope you will discover ways in which you can join in partnership with us to make this community a better place to live, work and visit.

As your Chief of Police, I invite you to contact us with any comments, questions, or suggestions you might have at chiefofpolice@diberville.ms.us Again, thank you for your partnership, and we look forward to working together with you to maintain a safe and livable city for all to enjoy.

Sincerely,

Wayne H. Payne
