

# SOLID WASTE COLLECTION GUIDELINES

Do not place piles or items for collection under power lines or tree limbs, and please keep away from mailboxes, fire hydrants and gas/electric meters.

**ALL SOLID WASTE  
WILL BE COLLECTED  
ON SAME DAY AS  
WEEKLY GARBAGE  
AND RECYCLING  
COLLECTION DAYS.**

*Debris in front  
of vacant lots -  
Pelican does  
not pick up*

*8 cubic  
yards picked  
up per service visit.*

Waste should be placed curbside, within 3-5 feet from curb

3-5 feet  
Waste should not **block the roadway**

## Misc. Waste

We will not pick up any unbagged household garbage, crawfish/shrimp hulls, concrete, asphalt, dirt, tires, batteries, household hazardous waste or refrigerators with Freon still inside. Freon must be removed by a licensed contractor and tag placed

## Vegetative Debris

Limbs should be cut no longer than 8ft in length. Stumps or large logs cannot be picked up for collection.

## \*Contractor Waste

No contractor-generated waste will be collected, which includes construction, tree services, lawn services or any other contracted service.

## Bagged Waste

Leaves, pine straw, and insulation must be bagged for collection.

(228) 701-9086

**AUTHORIZED CART** - Household garbage will only be collected from your authorized Waste Management cart. Trash or garbage from other unauthorized carts will not be collected. To purchase a second cart for \$30.72/year, please call **Waste Management** at 228-701-9086 (Option 1).

**RELOCATING WASTE** - Do not take the trash from your home to another house, street or any other location besides your own for collection.
