Mardi Gras Parade Venders

Any business wishing to sell goods or merchandise in the city limits of D'Iberville, during the city's Mardi Gras Parade is required to have a "peddler" or "transient" vendor permit. To start the vender permit process, the applicant must agree to a background check and complete the attached application which is conducted by the police department along with a \$10 process fee. If approved after background check, the permit is obtained from the Planning and Zoning Department and with proof of permit a vender permit ID card (with photo) is issued by the police department and must be wore during the parade, to be able to operate.

Any questions about the process see contacts below:
